

Elmārs Priksāns

**Supervisory Board Member Nasdaq CSD SE
General manager OP Corporate bank, Latvia**

Elmars Priksans is a banking executive with over 20 years experience in Baltic banking market. Since 2011 he has been heading OP Corporate Bank operations in Latvia and has been a member of OP Corporate Bank Baltic management team. During this period he has led the development of bank operations from green-field startup to a strong banking market player. In his earlier career Elmars held senior positions in Swedbank Latvia heading Corporate banking, Financial markets and Investment management business areas. During 2006-2009 Elmars has been serving as supervisory board member of Riga Stock exchange.

Elmars holds a BSc degree in Economics and Business Administration from Stockholm School of Economics in Riga and Masters degree in Economics and Finance from University of Latvia. Elmars is a member of Baltic Institute for Corporate governance – an organization promoting sound corporate governance practices in the region. Elmars has earned a CFA qualification and has been lecturing in Riga Business school on subjects related to Financial Markets.
